

Sheridan

Honours Bachelor of Applied Health Sciences – Athletic Therapy

Honours Baccalaureate Degree | 4 years
Davis Campus (Brampton)

Scan here

Gain skills and experience to become a certified athletic therapist.

State-of-the-art education

Sheridan's facilities include a new, state-of-the-art Athletic Therapy Clinic with aquatic rehab, dedicated lab space with brand new equipment and new training facilities. All educators are Certified Athletic Therapists with advanced degrees in the areas of rehabilitation sciences, biomechanics and physiology, as well as extensive experience working in the field.

What you'll gain

- Advanced athletic therapy skills such as field assessment and injury treatment, clinical assessment and rehabilitation.
- Entrepreneurial business skills to help you establish a practice.
- Research skills to ensure you always stay current in the field.
- Extensive practicum experience in both clinical and field environments through our comprehensive placement program.

Field placement

Each year of the program includes field and/or clinical work. This will take place in a variety of settings including high school or community sports teams, varsity teams in colleges and universities, and clinical work in both the Sheridan Athletic Therapy Clinic and community clinics. You'll also have an opportunity to participate in a 14-week internship between Years 3 and 4.

Career Opportunities

When you complete your Honours Bachelor of Applied Health Sciences (Athletic Therapy) program, you'll be well prepared to work in a variety of athletic therapy settings.
