Honours Baccalaureate Degree | 4 years

Build a strong finance foundation designed for today's business world.

Study finance from an international perspective

Today's financial industry requires you to capitalize on opportunities throughout the world. Learn global financial strategies such as how to access cash at affordable rates, assess risk and protect investments from fluctuating currencies. You'll also prepare for an international and diverse workforce through group work with your classmates.

Develop relationships with employers

Start building industry connections before you graduate. Our annual Finance and International Business Networking Event attracts senior employees from across the business world. In addition to giving you a glimpse at corporate life, they'll also give you honest feedback on everything from your sales pitch to your appearance — even your handshake.

Get introduced to CFA curriculum

Chartered Financial Analyst (CFA) designations are internationally recognized, opening the door to endless opportunities. Sheridan's finance degree courses are built around the core concepts and principles of the CFA program.

Career opportunities

As a graduate of Sheridan's Honours BBA (Finance) program, you'll be ready for a career in financial analysis, investment research, portfolio management, capital mobilization, wealth management, business valuation, regulatory compliance or investor relations.

You might find work in one of these areas:

- Personal Financial Planning
- Investment/Securities Management
- Investment Research and Analysis
- Credit Management
- Corporate Financial Planning
- Financial Research and Analysis
- Business Development and Analysis

Courses

Some of the courses you can expect to take in your program

Admission requirements

Program eligibility

Ontario Secondary School Diploma or equivalent, including these required courses:

- English, Grade 12 (ENG4U or equivalent) with a minimum 65%

PLUS

- Mathematics, Grade 12(U) (MCV4U, MDM4U, MHF4U or equivalent university-level Math) with a minimum grade of 60%.
- Students who do not possess a university-level Math with a minimum 60% or who have achieved a grade below 60% may complete Sheridan's Mathematical Functions for Business (MATH18263) course, which is offered through Continuing and Professional Studies. A minimum grade of 60% in MATH18263 is required for admission.

- Four other Grade 12 subjects (U or M) with a minimum grade of 60%.

- Minimum 65% overall average.

OR

- Two semesters of postsecondary education, including required courses, with a minimum of 65% overall average.

Applicant selection

Eligible applicants are selected on the basis of previous academic achievement (the average of their six highest senior-level credits, including required courses).

Applicants who do not meet the admission requirements for this program may be advised individually regarding other related programs.

English language proficiency

All applicants whose first language is not English must meet Sheridan's English Proficiency Requirements.

Refer to the website for full admission requirements.
