Get human resources management training for the modern work world.

Become a valuable influencer

Human resources is more than supporting employees and handling payroll. Today's HR professionals are also major influencers in shaping a company's business strategies and maximizing productivity. Our human resources degree is built on a solid foundation of general business skills, enabling you to understand the priorities and goals of an entire organization.

Learn from industry leaders

Sheridan's HR programs and professors are well-known and highly respected in the industry. Our students also often intern or land a co-op position with notable employers such as federal and municipal government, Softchoice, Sunwing Travel Group and the Real Estate Council of Ontario.

Work towards your CHRP and CHRL certification

You'll be job-ready when you graduate, but you'll also be well on your way to earning valuable certification from the HRP. Our curriculum is aligned with the HRP coursework requirements. This will help you if you're interested in becoming a Certified Human Resources Professional (CHRP) or a Certified Human Resources Leader (CHRL).

Career opportunities

Sheridan's Honours BBA (Human Resources Management) program gives you the skills you need to succeed as a human resources professional in today's workplace.

Here are some jobs you might find:

- HR Business Partner
- HR Coordinator
- Talent Acquisition/Recruitment Manager
- Payroll, Benefits & HR Administrator
- Employee Relations Manager
- HR Adviser

Admission requirements

Program eligibility

Ontario Secondary School Diploma or equivalent, including these required courses:

- English, Grade 12 (ENG4U or equivalent) with a minimum 65%

PLUS

- Mathematics, Grade 12(U) (MCV4U, MDM4U, MHF4U or equivalent university-level Math) with a minimum grade of 60%.
 - Students who do not possess a university-level Math with a minimum 60% or who have achieved a grade below 60% may complete Sheridan's Mathematical Functions for Business (MATH18263) course, which is offered through Continuing and Professional Studies. A minimum grade of 60% in MATH18263 is required for admission.

- Four other Grade 12 subjects (U or M) with a minimum grade of 60%.

- Minimum 65% overall average.

OR

- Two semesters of postsecondary education, including required courses, with a minimum of 65% overall average.

Applicant selection

Eligible applicants are selected on the basis of previous academic achievement (the average of their six highest senior-level credits, including required courses).

Applicants who do not meet the admission requirements for this program may be advised individually regarding other related programs.

English language proficiency

All applicants whose first language is not English must meet Sheridan's English Proficiency Requirements.

Refer to the website for full admission requirements.

How to apply:

5 easy steps

- 1 Find your program
