Design and make exceptional furniture for an exciting career.

Design and make outstanding furniture

In Sheridan's Furniture Studio, design and making are interconnected. You'll gain real-world, hands-on experience designing and fabricating furniture that incorporates an understanding of structure, function and aesthetics to create beautiful and functional pieces. From the moment you begin, you'll explore your creativity, develop and produce your ideas and test the limits of innovation.

Connecting furniture with society

Our students learn not only how to design and make furniture, but also how it fits into society. You'll have the opportunity to work with real clients and build a solid portfolio to launch your career. You'll also have a chance to make a difference in marginalized communities – in design collaborations with users, you'll create furniture that meets their needs and builds your profession.

Get a foundation in all Craft and Design studios

This program provides a collaborative, multidisciplinary approach to craft and design. You'll build professional fluency in your major studio of specialization while broadening your skills, experiences and perspectives in the other four Craft and Design studios. You'll work with students and faculty from across all specializations on projects that explore the potential of contemporary art, craft and design.

Career opportunities

Many graduates are local and international leaders in the field, finding employment in top design firms or establishing independent studio practices. You may choose positions in design and manufacturing industries, arts service organizations, or galleries and retail operations that specialize in craft and design, or pursue graduate education at a variety of universities throughout North America and abroad.

Here are some jobs you might find:

- Furniture Designer
- Furniture Maker
- Furniture Studio Technologist
- Craft and Design Teacher/Educator
- Fabricator
- Entrepreneur
- Gallerist/Curator
- Furniture Sales and Marketing

Courses

Some of the courses you can expect to take in your program

- Introduction to Woodworking

Admission requirements

Program eligibility

Ontario Secondary School Diploma or equivalent, including these required courses:

- English, Grade 12 (ENG4U or equivalent)
- Four other Grade 12 credits (M or U)
- Minimum 65% overall average
- Visual Arts or Communication Technology credit (Grade 11 or 12 any level, workplace 'E' level not accepted; or postsecondary level); OR an art, design, media or architecture-related Ontario College certificate, diploma or degree; OR a portfolio*

OR

- Two semesters of postsecondary education, including required English and Visual Art (or portfolio*) listed above, with a minimum 65% overall average.

Portfolio

*Applicants without a Visual Arts credit as outlined above will be asked to submit a portfolio.

Applicants submitting a portfolio must have five Grade 12 (M or U) credits.

The Office of the Registrar will update your application in the Sheridan Applicant Portal to notify you if a portfolio is required. Detailed instructions will be provided. Please note that there is a portfolio assessment fee.

The portfolio submission will consist of two components:

- Images of personal work: Submit 10 images showing your creative work. This may include 2D and 3D examples of work such as drawings, paintings, design work, sculpture, photography and completed objects or projects in any media or anything you feel may support your application.
- Questionnaire: Provide responses to the following two questions: What interests you about the program? What do you hope to achieve in the program?

Applicant selection

Eligible applicants are selected based on previous academic achievement (the average of their six highest senior-level credits, including required courses above), plus the results of their portfolio, if required.

Applicants who do not meet the admission requirements for this program may be advised individually regarding other related programs.

English language proficiency

All applicants whose first language is not English must meet Sheridan's English Proficiency Requirements.
