

Honours Bachelor of Early Childhood Leadership

Honours Baccalaureate Degree | 2 years
Virtual (Online) / Davis Campus (Brampton)

Scan here

Unlock your leadership potential in early childhood education and care.

Turn your diploma into a degree with online learning in as little as two years

This program is designed for students who already have an Early Childhood Education (ECE) diploma. You'll be credited for courses you completed in the ECE program, allowing you to enter Year 3 of this four-year honours degree. Study part-time or full-time, and all core courses are taught online for convenience and flexibility. In-person delivery options may be available based on enrolment.

Outstanding career preparation

Build on your ECE diploma by developing knowledge and expertise needed to work as an innovative leader in early childhood education and care. Many graduates of this program have gone on to seek advanced positions within the profession. Others have pursued post-graduate studies such as Bachelor of Education (teacher's college) and/or master's degrees in a related field.

Learn how to:

- Advocate for quality in early childhood education and care.
- Evaluate and use technology in teaching and learning.
- Analyze and support child development and behaviour.
- Develop and execute full research project cycles.
- Apply leadership theories to drive organizational change.
- Critically analyze social policy relating to children.

Career opportunities

After completing Sheridan's Honours Bachelor of Early Childhood Leadership degree program, you'll be prepared to guide change in Ontario's agencies and educational settings that relate to early childhood education and care. You can choose to enter directly into the workforce upon graduation, or you may wish to pursue post-graduate studies such as Bachelor of Education (teacher's college) and/or master's degrees in a related field.

Here you might find work in the following areas:

- Early learning and care administration
- Research and policy analysis
- Early learning advocacy
- Childcare and early learning programs
- Early intervention services
- Full day kindergarten programs
- Ontario Early Years Centres
- Family resource programs

Courses

Some of the courses you can expect to take in your program

- Quality Assurance for Early Childhood Programs
- Leadership in a Technological World
- Applied Research Methods in Early Childhood
- Current Topics in Human Development
- Advocacy and Leadership: Building Healthy Communities
- Action Research as an Early Childhood Educator

Admission requirements

Program eligibility

Ontario College Early Childhood Education diploma (MTCU 51211) or equivalent postsecondary diploma as accepted by the College of Early Childhood Educators of Ontario, with a cumulative GPA of 2.5 or greater (average C+).

Applicant selection

Eligible applicants are selected on the basis of their previous academic achievement in their Early Childhood Education diploma with a 2.5 minimum cumulative GPA.

Applicants may be required to complete English testing to demonstrate proficiency.

Postsecondary transcripts, indicating courses completed to date, must be submitted to ontariocolleges.ca at the time of application.

Applicants who do not meet the admission requirements for this program may be advised individually regarding other related programs.

English language proficiency

All applicants whose first language is not English must meet Sheridan's English proficiency requirements.

International applicants

- Official postsecondary transcripts, indicating courses completed to date, and credential must be submitted at the time of application. In case the transcripts/certificates are not in English, note that these documents must be accompanied by a notarized, official translation into English. Translated copies must also be accompanied by a copy of the original transcript.
- International applicants need to follow the international application process.

Domestic applicants

- Postsecondary transcripts indicating courses completed to date must be submitted to ontariocolleges.ca at the time of application.
- Domestic applicants with education outside of Canada must have their transcripts assessed for equivalency through ICAS or WES. A comprehensive (course-by-course) post-secondary credential assessment is required.
- Private career college courses and/or credentials are not acceptable as admission requirements for Sheridan programs.

Refer to the website for full admission requirements.
