Honours Bachelor of Science – Nursing

Honours Baccalaureate Degree | 4 years
Davis Campus (Brampton)

A nursing degree that is forward-thinking, student-centred and hands-on.

Intraprofessional learning to create a healthier nursing community

This degree reimagines what nursing education should be, helping you understand the valuable roles that both Registered Practical Nurses (RPNs) and Registered Nurses (RNs) play in our health-care system. You'll first learn entry-to-practice competencies required of both RPNs and RNs, then build on that knowledge to master advanced competencies RNs need to care for unstable and complex patients.

Apply your skills in the classroom and in the field

Graduate with nearly 1,600 hours of real-world experience. This is the first nursing degree program in Ontario to include two consolidation preceptored placements, sharpening your skills after your fourth and eighth semesters. Our nursing labs also use high-fidelity mannequins and UbiSim virtual simulation software to ensure you enter the workforce ready to care for patients.

Earn your nursing licence in just two years

If you need to exit this program early, you'll meet the Colleges of Nurses of Ontario's (CNO's) entry-to-practice competencies for RPNs after two years of studies — meaning you can graduate with a Practical Nursing (Leadership and Education focus) diploma and write your RPN licensing exam. If you re-enter Sheridan's degree program within the next two years, no bridging courses will be required.

Career opportunities

As a graduate of Sheridan's Honours Bachelor of Science – Nursing degree, you'll be eligible to write the College of Nurses of Ontario (CNO) NCLEX licensing exam and work as a Registered Nurse in settings such as hospitals, long-term care, public health and the community.

Courses

SOME OF THE COURSES YOU CAN EXPECT TO TAKE IN THIS PROGRAM

Clinical Methodology	Philosophy and Science of Pain
Obstetrics and Pediatrics	Pathology
Advanced Therapeutic Techniques & Current Trends in Rehabilitation	Clinical Experience

Admission Requirements

Program Eligibility

Ontario Secondary School Diploma or equivalent, including these required courses:

- English, Grade 12 (ENG4U)
- Biology, Grade 12 (U) (SBI4U or equivalent)
- Math, Grade 12 (U) (MDM4U, MCV4U, MHF4U or equivalent)
- Chemistry, Grade 12 (U) (SCH4U or equivalent)
- Two additional Grade 12 credits at the U or M level
- Minimum 75% overall average

or

- Two semesters of postsecondary education including required English (ENG4U or equivalent) and all required courses listed above with a minimum 75% overall average.

Applicant Selection

Eligible applicants are selected based on previous academic achievement (the average of their six highest senior-level credits, including the required courses listed above).

Applicants who do not meet the admission requirements for this program may be advised individually regarding other related programs.

Criminal Record Check

Sheridan field placement agencies may require a police record check for criminal offences, a vulnerable sector check and/or a current acceptable record of immunization. Students will be required to provide this documentation directly to their field placement prior to the start of the placement and at their own expense. Students who cannot meet these requirements may have limited field placement opportunities.

English Language Proficiency

All applicants whose first language is not English must meet Sheridan's English Proficiency Requirements.

Refer to the website for full admission requirements.

How to apply:

5 easy steps

- 1 Find your program
- 2 Check the admission requirements
- 3 Apply online
- 4 Submit your documentation
- 5 Accept your offer
