Gain the foundational skills you need to advance your career in business.

Lay the foundations for a career in any field of business

In just two years, you can earn a diploma that will expand your career potential in the rapidly changing field of business. In Year 1, you'll gain an understanding of the fundamentals of marketing, human resources, finance, accounting and economics. In Year 2, you'll take courses in advanced topics such as leadership, entrepreneurship, creativity and project management.

Collaborate with peers, professors and professionals

Apply your skills and expand your ideas through group projects that develop leadership and collaboration. You'll be supported in small classroom environments by professors with a wide range of industry experience and connections. You can also develop your entrepreneurial skills through Sheridan EDGE, which provides free learning modules, networking events and mentorship from industry experts.

Open doors to more business opportunities

A business diploma from Sheridan can lead directly to your first job, a promotion or further business studies. Our flexible pathway options can help you easily switch to a more specialized program or upgrade to an advanced diploma. Our career services will offer you career counselling, job postings, cover letter and resume help and job interview preparation.

Career opportunities

Sheridan's Business diploma program is designed to prepare you for employment in a variety of business roles.

After graduating from this program, you could be qualified to begin your business career in positions such as:
