Get on the fast track to a computer programming career.

The most up-to-date curriculum

Sheridan's dedicated professors are constantly working to keep the program current within a rapidly changing industry. A practical applied approach is taken with an emphasis on individual programming skills including the mobile environment, communication skills, problem solving and teamwork.

Mobile computing

The applied approach is facilitated by an interactive classroom experience each student has their own personal laptop and the most current versions of industry standard computer programming software available through Sheridan. We offer a well-respected computer programming college credential that will give you many workplace options and pathways to further study.

Fast-track to a career in 16 months

This program is delivered in four back-to-back semesters (14 weeks each), which means you'll graduate in just 16 months.

Admission requirements

Program eligibility

Ontario Secondary School Diploma or equivalent, including these required courses:

- One English, Grade 12 (ENG4C or ENG4U)
- One Math Grade 12 (C* or U) or Math Grade 11 Functions (MCR3U) or Functions and Applications (MCF3M) (*Applicants presenting with Math MAP4C require a minimum 70%)

OR

Mature student status
If you're at least 19 years old and missing any of the requirements above, you can meet these requirements by applying as a mature student. Mature students may be required to complete tests in English, math and/or science or take a FREE preparatory course through Sheridan's Academic Upgrading program.

Pre-admission testing and upgrading:
Applicants who do not meet the admission requirements will be invited to complete pre-admission tests in mathematics and English. Applicants asked to take the OCMA math test require a minimum 70% passing grade. See "mature student status" for details.

Applicants lacking the mathematics admission requirement for this program may wish to upgrade their mathematics through Sheridan's FREE Academic Upgrading program prior to application.

Applicant selection

Eligible applicants are selected on the basis of previous academic achievement (the average of their six highest senior-level credits, including required courses), and/or results of pre-admission testing.

Applicants who do not meet the admission requirements for this program may be advised individually regarding other related programs.

English language proficiency

All applicants whose first language is not English must meet Sheridan's English Proficiency Requirements.

Refer to the website for full admission requirements.
