

Game Development – Advanced Programming

Ontario College Graduate Certificate | 1 year
Trafalgar Road Campus (Oakville)

Gain specialized game development skills and launch a successful career.

Begin your career – now!

Long recognized for excellence in animation, digital media and technology, Sheridan now brings an innovative, multidisciplinary approach to the study of video game development. Our graduate certificate in Game Development – Advanced Programming presents a one-of-a-kind learning opportunity.

An integrated approach

Offered alongside the Game Level Design program at Sheridan's renowned Faculty of Animation, Arts and Design, our game development courses simulate a realistic work environment that integrates game programming, tool development, digital art, storytelling and project management. This unique integrated approach prepares students for success in a collaborative, highly creative work environment.

Gain industry-specific skills

Developed in response to industry need, Sheridan Game Development courses encompass both 2D and 3D game development. You'll learn advanced game programming techniques, utilize industry-standard technologies, and apply your programming skills to animation, artificial intelligence and multiplayer systems.

Career Opportunities

Canada is a major player in the digital games market. Graduates of Game Development – Advanced Programming are well positioned to attract the attention of employers in the industry.

Admission Requirements

Program Eligibility

- Postsecondary diploma or degree in computer science/programming or related discipline.

or

- Demonstrated competence through related work, and/or educational experience.

Applicant Selection

Eligible applicants are selected on the basis of previous academic achievement and/or demonstrated experience. In some cases, applicants may be requested to submit a résumé, which includes details of related work experience, and a cover letter, which summarizes their career goals and reasons for wanting to take this program.

Postsecondary transcripts indicating courses completed to date must be submitted to ontariocolleges.ca at the time of application.

Domestic applicants with education outside of Canada must have their transcripts assessed for equivalency through ICAS or WES. A comprehensive (course-by-course) post-secondary credential assessment is required.

Applicants who do not meet the admission requirements for this program may be advised individually regarding other related programs.

English Language Proficiency

All applicants whose first language is not English must meet Sheridan's English proficiency requirements.

Refer to the website for full admission requirements.

How to apply:

5 easy steps

- 1 Find your program
- 2 Check the admission requirements
- 3 Apply online
- 4 Submit your documentation
- 5 Accept your offer
