Develop your creativity while you build your career.

Benefits of our program

- Professional studio environment.
- Industry-standard software (CAD, SketchUp, 20/20, Photoshop), focusing on 2D and 3D rendering.
- Full access to finishes, paints and samples in our decorating and design resource room.
- Periodic excursions to local design and product showrooms.
- Three-week work placement.

A full professional skill set

- Plan and decorate residential and small commercial environments, from programming to final presentation drawings.
- Draft using professional standards to visually communicate details and design concepts.
- Freehand draw, sketch and apply mixed media to presentations.
- Design and implement marketing and sales strategies.

Flexible and collaborative learning

Using your own laptop, you'll work collaboratively with faculty and classmates while enjoying 24/7 access to coursework, lecture notes, assignments, presentations and other resources. Because it mimics the structure of the workplace, this learning model gives Sheridan graduates a significant advantage in the job market.

Career opportunities

Sheridan Interior Decorating graduates may gain employment in a variety of creative and exciting positions.

Sample job titles for our graduates include:
