Ontario College Graduate Certificate | 1 year

Prepare for a career in a growing segment of Canadian business.

Learn from instructors with industry experience

Professors in this program have personal experience in international business. They are continually updating the program so it reflects current international market conditions, challenges and regulations. Using their connections and experience, they'll bring in guest speakers, introduce you to networking and industry association events, and teach you how to undertake a search for international employment.

Gain the skills you need to succeed in international business

- Develop a foreign market entry strategy for a specific product or service.
- Research and analyze potential international opportunities.
- Create a customized international business plan to support the global initiative of a real company.
- Learn to navigate cultural differences among trading partners and clients.
- Hone your business report writing and presentation skills.

Become a Certified International Trade Professional (CITP)

This program is accredited by the Forum for International Trade Training (FITT). FITT sets the standard of excellence for global trade professionals and has the only international business training programs and related professional designation (CITP) endorsed by the Canadian government.
