**The fastest path towards becoming a
Registered Massage Therapist.**

Become an RMT

This advanced diploma will prepare you to write the College of Massage Therapists of Ontario (CMTO) examination and become qualified as a Registered Massage Therapist (RMT). If you already have a degree in athletic therapy, kinesiology or osteopathy, you can complete this program even faster.

Theory and hands-on learning

Learn to help others manage pain, increase mobility and improve quality of life. You'll study various theoretical and practical areas of massage therapy, including functional anatomy, pathology and a wide range of massage applications and techniques. You'll then work with real-world patients, completing 330 supervised hours in our on-campus clinic and another 320 hours during field placements.

Learn how to operate your own business

Study and practice skills in clinical and orthopedic assessment, therapeutic relationships, health history and charting. This program also develops expertise in core business areas such as customer relationship management, marketing, sales and financial management, preparing you for self-employment or to operate your own clinic.

Career opportunities

As Canada's population continues to age, there's a growing demand for massage therapy to manage chronic illness and pain. After completing this program, you'll be prepared to assist patients in a variety of settings.

You might find roles in areas such as:

- Hospitals
- Private massage therapy clinics
- Rehabilitation centres
- Sports teams
- Athletic therapy clinics
- Spas
- Wellness resorts

Mature student status

If you're at least 19 years old and missing any of the requirements above, you can meet these requirements by applying as a mature student. Mature students may be required to complete tests in English, math and/or science or take a FREE preparatory course through Sheridan's Academic Upgrading program.

Applicant selection

Eligible applicants are selected based on academic achievement, using the average GPA of their six highest grades, including the required courses listed above.

Applicants who do not meet the admission requirements for this program may be advised individually regarding other related programs.

English language proficiency

All applicants whose first language is not English must meet Sheridan's English proficiency requirements.

Clinical placement requirements

Students will be required to provide additional documentation directly to their field placement before the start of the placement and at their own expense. Sheridan field placement agencies may require a police record check for criminal offences, a vulnerable sector check and/or a current acceptable record of immunization.

Refer to the website for full admission requirements.
