Ontario College Certificate | 1 year  
Hazel McCallion Campus (Mississauga)

The fastest way to begin working in health care.

### The fastest way to begin working in health care

In six months, you can develop the skills you need to secure satisfying employment in long-term care facilities, supportive housing, home care, adult daycare and palliative care. You'll receive the same training as students in our one-year Personal Support Worker program, but at a faster pace. Your PSW certificate can also qualify you for entry into our PSW to Practical Nursing pathway.

### Study safely with support from industry experts

Most courses will be delivered remotely, with the exception of Skills Lab. During the Lab course, you'll learn hands-on skills in our well-equipped PSW lab at our Hazel McCallion Campus in Mississauga. You'll be supported by expert professors who understand and appreciate the critical role that PSWs play in the Ontario health-care system. Theory courses will prepare you for your full-time placement in a long-term care home or community setting, where you'll consolidate all that you have learned.

# Career opportunities

Graduates of Sheridan's Personal Support Worker programs consistently receive high satisfaction ratings from employers. The current shortage of PSWs in Ontario is creating excellent employment opportunities assisting the elderly or medically challenged youth.
