CELTA, TESL Canada and TESL Ontario: three certifications, one program

What's the "Plus" in TESOL Plus? In one program, you'll be able to earn three certifications — CELTA, TESL Canada and TESL Ontario. Employers look for these qualifications. If you want to teach ESL learners in Ontario, across Canada or abroad, these highly-respected certifications will qualify you to teach anywhere.

Teach English abroad with CELTA certification

If you want to teach English abroad, the Certificate in English Language Teaching to Adults (CELTA) may be your ticket. CELTA is known around the world, and many employers ask for it by name. Sheridan is an official CELTA Centre, accredited by the University of Cambridge. You'll get the practical training that meets Cambridge's high CELTA standards—and be certified when you graduate.

Teach in Canada with TESL Canada or Ontario with TESL Ontario

TESL Ontario sets the standards for ESL teachers in the government-sponsored sector and is perfect for those who want to teach in Ontario. If you want to teach anywhere in Canada, you'll need qualification from TESL Canada. When you successfully complete Sheridan's program, you may apply for both your TESL Canada (Standard 2) certification and your TESL Ontario certification.
