

# Galvanizing Education

## Sheridan 2027: Forging the Future

Scan to read the full plan.

### Vision

Sheridan is the epicentre for ground-breaking, standard-setting higher education that empowers people to help shape an ever-changing world.

### Mission

To cultivate highly skilled, creative and resourceful people and communities through collaboration, active learning and the relentless incubation of new ideas.

To achieve these strategic aims, Sheridan will focus on three priorities.

## Trailblazing EDUCATION

**Goal:** Create intentional impact for our learners and communities.

**Outlook:** We will be recognized for delivering the higher education learners need to thrive and lead in our evolving world.

## Organizational EXCELLENCE

**Goal:** Fuel organizational agility and operational excellence.

**Outlook:** We will enhance, renew and reinvest in our foundational enablers to support the achievement of our vision and mission.

## Sustainable GROWTH

**Goal:** Secure financial viability through responsible growth.

**Outlook:** We will pursue revenue growth that is smart, sustainable and aligned with our values and standards.
