4.5 Applicant Selection

   1. Residents of Ontario
   2. Residents of other provinces or territories in Canada
   3. International/Other Applicants.

4.5.2 Indigenous Admissions

Each year an identified number of seats in Sheridan programs will be reserved for Indigenous Applicants. Designated seats will be filled by Indigenous Applicants on a competitive basis. In order to be considered for such designated
seats in programs, Indigenous Applicants must apply by the February 1 equal consideration deadline or before the program is closed or waitlisted.

4.6 Admission Decisions

Admission decisions for Sheridan programs are made in accordance with the following three criteria:

a) Applicants to some programs are admitted based on academic criteria alone. Applicants to these programs are selected on the average of their six highest senior-level credits, including required courses or equivalent. Sheridan uses a limit of one secondary school cooperative education mark as part of the Applicant's six highest senior-level credits or equivalent.

b) Applicants to some oversubscribed programs are admitted based on a ranked combination of both academic criteria and supplemental assignments (e.g. portfolios, résumés, questionnaires and pre-admission tests). Supplemental assignments are scored through a selection process by program/Faculty. These scored assignments are used in conjunction with the Applicant's academic performance when selecting candidates for admission. The percentage assigned to each criteria may vary from year to year.

c) Sheridan reserves the right to rescind offers of admission or suspend applications or impose any sanctions and/or conditions due to any behaviour, breach, errors, or omissions that could be considered contrary to Sheridan policies. Sheridan standards include the following:

   i. Upholding standards of conduct that form the basis of good citizenship;
   ii. Creating an academic community that is safe and respectful;
   iii. Promoting an environment of integrity that values honesty, trust, fairness, respect, responsibility, and courage;
   iv. Ensuring conduct does not have the potential to disrupt the Sheridan community or the educational environment;
   v. Maintaining that Sheridan students have the right to live their lives, study, learn and work without unreasonable interference, disruption, or upset caused by the actions of another person;
   vi. Treating all members of the Sheridan community in a manner which is honest, respectful, and free from discrimination or harassment.
consistent with the Ontario Human Rights Code and any applicable Canadian law; and

vii. Encouraging all members of Sheridan to treat other members of the Sheridan community in a way that they would reasonably expect to be treated.

The Office of the Registrar is responsible for the assessment of academic criteria of domestic Applicants and the International Centre is responsible for the assessment of academic criteria of international Applicants. The Faculty is responsible for the evaluation of supplemental assignments. In some circumstances, a collaborative approach is used to determine admission. Where an Applicant is denied admission based on the score received by one evaluator, a second evaluator is required to provide portfolio review.

4.7 Academic Pathways

Pathways are different routes that individuals take to progress through the education system. The pathways system assists qualified students to move between or within postsecondary institutions or programs recognizing previous, relevant learning. At Sheridan, pathways relate to credit transfer and credit recognition, involving prior learning, high school courses, preparatory programs, apprenticeship, certificates, diplomas, advanced diplomas, undergraduate and graduate degrees, and established articulation agreements.

Sheridan provides enhanced mobility and pathway opportunities for Applicants seeking postsecondary education. Many Sheridan graduates of certificate and diploma programs have an opportunity to leverage their credentials to continue into a degree pathway or other academic opportunity. This does not always require a formal signed agreement between institutions.

4.8 Articulation Agreements

Sheridan recognizes that articulation agreements exist between:

a) Sheridan and secondary schools. Articulation agreements between colleges and secondary schools will not, in and of themselves, result in preferential admission for applicants;

b) Programs within Sheridan. There are established transfers of academic credits that may grant admission to Applicants, contingent on space in the program (in the semester that they are applying for), and if they meet the academic requirements for the program of choice, in accordance with the articulation agreement; and
c) Sheridan and other postsecondary institutions. There are established transfers of academic credits. For more information please refer to the Sheridan website or calendar at https://www.sheridancollege.ca/admissions/pathways-and-transfers/credit-transfer

4.9 Admission with Advanced Standing, Credit Transfer and Block Transfer

Sheridan recognizes that some Applicants will have earned postsecondary credits at other recognized postsecondary institutions and may wish to apply these credits toward receiving a Sheridan credential. Advanced standing refers to the transferring of credit earned at another recognized postsecondary institution toward a Sheridan credential.

Students may apply to receive advanced standing for specific Sheridan course(s) based on the successful completion of similar courses at other recognized postsecondary institutions subject to meeting applicable Sheridan policies.

Regardless of the semester entry level, Applicants must apply through ontariocolleges.ca. International Applicants must apply through Sheridan’s website. In addition to transcripts, course outlines must be submitted with the application for advanced standing.

Please refer to Sheridan’s Credit Transfer Policy.

4.10 Prior Learning Assessment and Recognition (PLAR)

A Student or Applicant may apply for PLAR when competency in the learning outcomes of a Sheridan course or program can be clearly demonstrated through the institution’s established PLAR process, such as a portfolio assessment, competency test or challenge exam.

4.11 Readmission to first term

Any Student* applying to or repeating the first term of the program, must apply through ontariocolleges.ca

*International students must apply to Sheridan’s International Centre.

Sheridan reserves the right to refuse readmission if the Applicant’s previous academic history or conduct has been unsatisfactory. Students must comply with
any academic requirements and/or non-academic sanctions that are identified by Sheridan. This includes denying readmission to Applicants during any period of time that they have been suspended from Sheridan. This also includes Applicants applying to a related program with a common first semester curriculum.

Students seeking Readmission to a term other than the first term are to be referred to the Academic Standing Policy.

4.12 Sheridan Accessibility Policy and Applicants with Disabilities

The Sheridan Accessibility Policy outlines Sheridan’s commitment to the reasonable provision of goods, services and facilities to all persons, including persons with disabilities. This commitment extends to carrying out Sheridan’s responsibilities to meet the accessibility needs of applicants with disabilities in a timely manner, as outlined in this Policy. Please contact the Centre for Equity and Inclusion at Sheridan if you require further information or to request this policy in an accessible format or with communication support.

Please note, applicants who are requesting individual accommodation due to disability, are directed to visit Accessible Learning (see Section 4.14 Admissions Procedure – Accommodations for Applicants with Disabilities).

4.13 Principles for Admission Appeals

a) Applicants to programs have the right to fair and equitable assessment for admission to Sheridan;

b) Admission decisions are made in accordance with the selection process and admission decision section set out above;

c) Sheridan has established a procedure for Applicants who are unsuccessful and who want to obtain specific reasons for refused admission; and

d) It is the Applicant’s responsibility to demonstrate through clear evidence that appropriate grounds for appeal exist and that their appeal should be considered. See Admission Appeals Procedure for Grounds for Appeal for further details.
4.14 Sanctions

**Falsification of Documents**

Applicants who are found to have falsified transcripts, cheated on admission tests or submitted fraudulent documents or in any other way attempted to circumvent the admissions process in a manner inconsistent with the principles of academic integrity, will not be granted admission to the College. The Applicant will be ineligible for admission to any Sheridan program or course for a period of not less than 5 years. Admission to the College will be reviewed on a case-by-case basis.
