Selection Process for Applicants

Eligible applicants are selected on the basis of their academic achievement (in progress or completed) and the result of their portfolio submission. Applicants to the Degree completion program are required to have the following:

- Ontario secondary School Diploma or equivalent, including this required course:
 - One English, Grade 12 (ENG4U) with a minimum 65% or equivalent
- Overall GPA of 2.5 (65%) in the Fleming College Haliburton School of Art and Design Visual and Creative Arts diploma
- Portfolio of work from the Fleming College Haliburton School of Art and Design Visual and Creative Arts program.
- Statement of Intent submitted as a component of the portfolio.

Applicants selected for the program will be notified through their Sheridan email account. These decisions will not be released over the phone. Fee, registration, and timetable information will follow. Classes for the fall term begin Tuesday, September 3, 2024.

Academic Integrity

By submitting your Admission Requirements, you are agreeing to comply with Sheridan's Academic Integrity Policy. The Academic Integrity Policy states:

Sheridan College is committed to upholding the highest standards of academic integrity. The International Centre for Academic Integrity (ICAI) defines academic integrity as "a commitment, even in the face of adversity, to six fundamental values: honesty, trust, fairness, respect, responsibility, and courage. From these values flow principles of behavior that enable academic communities to translate ideals into action".

Applicants who are found to have falsified transcripts, cheated on admission tests, or submitted fraudulent documents or in any other way attempted to circumvent the admissions process in a manner inconsistent with the principles of academic integrity, will not be granted admission to the College. Those applicants will be ineligible for admission to any Sheridan program or course for a period of not less than 5 years, after which admission to the College will be reviewed on a case-by-case basis.

For programs where a portfolio submission is required as part of the admission process, portfolio work should represent an applicant's own ideas, writing, projects and creations. Where others have contributed, or non-original ideas have been included, applicants will give proper recognition and reference.

Portfolio Components

The portfolio submission consists of three components:

- 1) Images of Work
- 2) An Image Description document, and
- 3) Written responses to two general questions related to interests and goals in the program.

A portfolio missing any of these components will be considered incomplete.

IMAGES OF WORK

Please show ten (10) images of your work from the Fleming College Haliburton School of Art and Design Visual and Creative Arts program. This may include 2D and 3D examples of work such as drawings, paintings, design work, sculpture, photography, and completed objects or projects in any media or anything you feel may support your application. Images of details or alternative views should be used sparingly and counted within the 10 images.
