Selection Process for Applicants

Eligible applicants are selected on the basis of their previous relevant academic achievement or a combination of demonstrated post-secondary education and work experience. Applicants with post-secondary education in an unrelated [equivalent fields](#) are required to provide the information below to determine eligibility.

Post-secondary transcripts, indicating courses completed to-date and cumulative Grade Point Average (GPA), must be submitted at the time of application.

Résumé outlining your academic background, business/work or unpaid/volunteer work experience must be included.

Applicants selected for the program will be notified through their Sheridan email account. Decisions will not be released over the phone. Fee, registration and timetable information will follow.

Academic Integrity

By submitting your Admission Requirements, you are agreeing to comply with Sheridan's Academic Integrity Policy. The Academic Integrity Policy states:

Sheridan College is committed to upholding the highest standards of academic integrity. The International Centre for Academic Integrity (ICAI) defines academic integrity as “a commitment, even in the face of adversity, to six fundamental values: honesty, trust, fairness, respect, responsibility, and courage. From these values flow principles of behavior that enable academic communities to translate ideals into action”.

Applicants who are found to have falsified transcripts, cheated on admission tests, or submitted fraudulent documents or in any other way attempted to circumvent the admissions process in a manner inconsistent with the principles of academic integrity, will not be granted admission to the College. The applicant will be ineligible for admission to any Sheridan program or course for a period of not less than 5 years, after which admission to the College will be reviewed on a case-by-case basis.

Additional Admission Requirements

In order to continue processing your application, you must submit a single document that includes your résumé and transcript online.

Résumé

Your résumé must outline your academic background, business/work or unpaid/volunteer work experience. Please highlight any computer science related courses, certification or experience.

NOTE: Résumé formats vary by country. Applicants must ensure their documents follow Canadian format and standards. You can find more information regarding how to write your résumé [here](#).

Transcript

If you have any post-secondary academic experience, please submit your post-secondary transcript(s) to be evaluated as part of the application.
