Additional Information	3

Selection Process for Applicants

Eligible applicants are selected on the basis of their previous relevant academic achievement or a combination of demonstrated post-secondary education and work experience. Applicants with post-secondary education outside of the [equivalent fields](#) are required to provide the information below to determine eligibility.

Résumé outlining your academic background, business/work or unpaid/volunteer work experience must be included.

Statement of Qualification and Readiness outlining academic course work(s), projects or other experience that supports your readiness/preparedness for this program in Computer Science/IT.

Applicants selected for the program will be notified through their Sheridan email account. Decisions will not be released over the phone. Fee, registration and timetable information will follow.

Academic Integrity

By submitting your Admission Requirements, you are agreeing to comply with Sheridan's Academic Integrity Policy. The Academic Integrity Policy states:

Sheridan College is committed to upholding the highest standards of academic integrity. The International Centre for Academic Integrity (ICAI) defines academic integrity as “a commitment, even in the face of adversity, to six fundamental values: honesty, trust, fairness, respect, responsibility, and courage. From these values flow principles of behavior that enable academic communities to translate ideals into action”.

Applicants who are found to have falsified transcripts, cheated on admission tests, or submitted fraudulent documents or in any other way attempted to circumvent the admissions process in a manner inconsistent with the principles of academic integrity, will not be granted admission to the College. The applicant will be ineligible for admission to any Sheridan program or course for a period of not less than 5 years, after which admission to the College will be reviewed on a case-by-case basis.

Additional Admission Requirements

In order to continue processing your application, you must submit a single document that includes your **résumé** and a **Statement of qualification and Readiness**.

Additional Information

- **Mobile Computer Technology**
Students are required to have a Sheridan approved laptop to participate in the program. Laptop specifications will be announced in early summer 2025. At that time, please check the Sheridan website at: <https://it.sheridancollege.ca/laptop-requirements/requirements.html>.
- **English Language Skills**
Strong English written and oral skills are required for success in this program.
- **Check your Sheridan email account frequently**
Many of the communications you receive from Sheridan come to you exclusively via your Sheridan email account.
- **This is a full-time program**
Students should be aware that this is a full-time program requiring full-time study scheduled during the day, evenings and may include weekends. Full-time employment in addition to this full-time program is cautioned.
