**Re: Sheridan Research Ethics Board – REB Delegated Amendment Approval**  
**SREB No 2018-12-001-035**

Dear Dr. Ed Sykes,

The review process for the amendment to your protocol “**Centre for Mobile Innovation protocol**” is complete and has received delegated REB amendment approval. The delegated amendment approval is specific to ensuring the safety of the participants with COVID-19 safety protocols.

Of note, a third party may access the SREB office file. Should anyone, other than yourself and members of your research team be provided access to your files, you will be informed.

Should you have any questions please do not hesitate to contact me.

Warmest Regards,

Dr. Jaime Ginter, Vice Chair
