Re: Sheridan Research Ethics Board – Final Approval
SREB No - 2018-12-001-035

Dear Dr. Sykes,

The review process for your protocol submission for the “Centre for Mobile Innovation” has received final board approval.

Please note, should you require any amendments to the existing protocol then the REB will need to be informed. Also, please ensure that all TCPS2 certificates are renewed accordingly.

As per policy, the protocol will need to be **re-reviewed in 5 years**.

Please note a third party may access the SREB office file. Should anyone, other than yourself and members of your research team be provided access to your files, you will be informed.

Should you have any questions please do not hesitate to contact me.

Warmest Regards,

Dr. Kirsten Madsen, Chair
